Update	Page 9	<p>Placement Exams</p> <p>Ellis University requires assessment exams in mathematics and writing to ensure that all incoming undergraduate students are placed at the appropriate course level. Placement testing is required of all incoming undergraduate students unless specific transfer credit has been successfully completed in those specific disciplines of study. All Placement exams must be completed by the end of the student's second course. The purpose of this testing is to assure students achieve an appropriate entry into the University and become adequately prepared to successfully meet the demands of their degree program. A student must successfully achieve a grade of 70% or higher on the assessment exams to be placed into the writing and mathematics foundations courses. Students that achieve a score less than 70 percent on the assessment exam will be placed in a fundamentals course that will prepare the student for the subsequent foundations course.</p> <p>The fees associated with the assessment exams are \$10 for the math assessment and \$20 for the writing assessment</p>
Update	Page 14	<p>Graduate Admission Requirements:</p> <ul style="list-style-type: none"> • Completion of a bachelor's degree at an accredited college or university. • Depending on the major field of study, additional requirements may apply for admission. See specific Ellis University program for details. • At the discretion of the dean, graduate admission requirements may be waived. Documentation of any exception will become a part of the student's permanent file.
Update	Page 20	<p>Add/drop policy</p> <p>Students dropping a class must provide official notification to the Advising Office in writing via email. A credit of tuition will be provided if a student drops prior to 4:00pm Central time on Friday of the week the term starts, less a \$200.00 administrative fee. After 4:00pm Central time on Friday, a student can only withdraw from a course and is subject to the refund policy outlined above.</p> <p>New students who do not log into a course by 4:00pm Central time on Friday of the first week of the term will be administratively dropped from the course and will receive a tuition refund. The course will not appear on transcripts.</p> <p>Continuing students who do not participate in a course by 4:00pm Central time on Friday of the first week of the term will be administratively dropped from the course and will receive a tuition refund minus applicable fees. The course will not appear on transcripts.</p>
